

COVID-19 Sponsor Visit Policy

Liver Institute Northwest (LIN) is committed to the health and safety of our patients, staff, and greater community. As such, we are closely monitoring the COVID-19 situation, and will be implementing extensive precautions and procedures to help ensure everyone's safety when there is a visit our clinic. Your health and safety are our top priority, and we will continue to update you as we receive more information.

Our COVID-19 policies are evolving as the situation is evolving. For this reason, as of November 20, 2020

WE ARE CURRENTLY NOT ALLOWING ANY IN-PERSON SPONSOR VISITS

We will continue to monitor local and national conditions on a regular basis. As we evaluate the situation, our Sponsor Visitor Policy will be updated accordingly.

In addition, as the COVID-19 situation is changing daily, we reserve the right to cancel any in-person visits within 24-hours of the scheduled visit.
